Holt McDougal, United States, 2009. Paperback. Book Condition: New. Reprint. 231 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A serious-minded and meticulously detailed . . . account of the lifelong artistic journey of one of the most influential filmmakers of our age ( *The New York Times* ) When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard s work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a if not the key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard s technical inventions as to the political forces of the postwar world, Brody traces an arc from the director s early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard s wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard s greatness and shows decisively that his films have left their mark on screens everywhere.
