At the commencement of the financial year, at the request of the Committee on Finance of the City Council, the Board made an estimate, from the best information which they possessed, of the amount of money which would be requisite for the support of schools for the year. The City Council were desirous that the general appropriation bill for city expenses, should be as small as possible, and the Board was urged to keep its wants as low as would be consistent with the proper management of the schools. To conform to this request, and what seemed to be the general wish, viz. to prevent extravagance or lavishness in the city expenses, the Board instructed its Finance Committee to make a very careful estimate, and if possible prepare such a statement as would be likely to cover all expenses.
