Would you like to earn millions by talking about your favourite subject? A new generation of vloggers have become millionaires by sharing make-up tutorials, comedy sketches and gaming videos. These people didn't start off with fancy equipment, expert technical knowledge or huge audiences. They are self-made. This book examines how they achieved success and provides a step by step guide to the process of finding fame and fortune online. Featuring advice from vloggers including Jim Chapman, Fleur De Force and KSI alongside business tips from YouTube CBO Robert Kyncl and Gleam Futures founder Dominic Smales, this book contains insider information about the mechanics of making money by vlogging. Subjects covered include brand-building, filming and editing equipment techniques, social media, working with talent managers, dealing with digital marketing agencies, making merchandise and negotiating with brands. Author Zoe Griffin is an established blogger, who set up her blog Live Like a VIP in 2009. She's worked with several vloggers and has noticed that the most popular ones have things in common. This book explains what these things are - so you can adopt similar tactics and get rich vlogging!.
