

African Americans in Mathematics: Dimacs Workshop June 26-28, 1996 (Dimacs Series in Discrete Mathematics and Theoretical Computer Science)

By Editor-Nathaniel Dean; Corporate Author-NSF Science and Technology Center in Discrete Mathematics and Theoretical Computer Science

American Mathematical Society, 1997. Hardcover. Book Condition: New. Brand new. We distribute directly for the publisher. This volume contains research and expository papers by African-American mathematicians on issues related to their involvement in the mathematical sciences. Little is known, taught, or written about African-American mathematicians. Information is lacking on their past and present contributions and on the qualitative and quantitative nature of their existence in and distribution throughout mathematics. This lack of information leads to a number of questions that have to date remained unanswered. This volume provides details and pointers to help answer some of these questions.
