HUNGRY MINDS, 2007. Book Condition: Neu. Neu - The percentage of high school graduates who have taken Algebra II has more than doubled in the last two decades. And now, with a greater emphasis on advanced algebra in standardized tests, the demand for advanced guidance is growing. Algebra II Workbook For Dummies provides students and teachers with fun, engaging, and effective ways to prepare for exams. Building on the concepts taught in basic algebra, this hands-on guide broadens students' skill sets through exercises that take a closer look at advanced math such as quadratic equations; polynomial, exponential, and logarithmic functions; irrational and complex numbers; and graphing inequalities. Although the workbook functions independently, it can also be cross-referenced with Algebra II For Dummies. Englisch.
