Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Excerpt from The Discovery of America Magazine, 1892 In the meantime I had learned from some Indians whom I had seized that the country was certainly an island, and therefore I sailed towards the east, coasting to the distance of three hundred and twenty-two miles, which brought us to the extremity of it; from this point I saw lying eastwards another island, fifty-four miles distant from Juana (Cuba), to which I gave the name of Espagnola (Hayli). I went thither, and steered my course eastward as I had done at Juana, even to the distance of five hundred and sixty-four miles along the north coast. This said island of Juana (Cuba) is exceedingly fertile, as indeed are all the others; it is surrounded with many bays, spacious, very secure and surpassing any that I have ever seen; numerous large and beautiful rivers intersect it, and it also contains many very lofty mountains. All these islands are very beautiful, and distinguished by a diversity of scenery; they are filled with a great variety of trees of an immense height, and which I believe to retain their foliage in all seasons; for when I saw them they were as verdant and luxuriant as they usually are in Spain in the month of May - some of them were blossoming, some bearing fruit, and all flourishing in the greatest perfection, according to their respective stages of growth, and the nature and quality of each; yet the islands are not so thickly wooded as to be impassable. The nightingale and various birds were singing in countless numbers, and that in November, the month in which I arrived there. There are besides...
