Filesize: 5.65 MB

Reviews

Extensive manual! Its such a great read. It really is loaded with knowledge and wisdom You wont really feel monotony at at any time of your time (that's what catalogs are for regarding if you ask me).

(Myrl Hintz)

HOW TO MAKE THE BEST BUTTER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Make the Best Butter Good butter may be made under quite unfavorable conditions; better butter may be made under better conditions; but the best butter is made under only the best conditions, and by the most skillful manipulation. The Herd. I shall not given the preference to any breed. It is only necessary that cream should be rich in fat, and churn easily. These qualities may be possessed by the milk from any of the breeds. Even elephant s milk is said to be superior in this respect. These qualities can be practically ascertained only by the test of the churn. Of course, the cream must be rich in flavor, and free from the bitter taste peculiar to the cream and milk of some cows. The Feed. As milk is made from the food which the cow eats, and partakes more or less of the quality and flavor of the food, it follows that cows must run in clean, sweet pastures in summer, and that the cows get hold of no rank flavored vegetation, either in the pasture or on the road to the barn-yard or stable where the milking is done. Just the nipping of mal-flavored herbage on the way to and from the pasture has been known to give a bad.flavor to the milk, and to the products manufactured from it. Even the breathing of air passing over carrion, or an onion field has been found to taint the milk of the cows thus inhaling it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important...
