Paperback. Book Condition: New. Paperback. 196 pages. If youve ever felt left behind, out-of-step or just plain bewildered by the stampeding madness of the herd-like behavior of modern life, come along with Scott B. Williams on an irreverent and humorous examination of the materialism, technology and regulations of contemporary America. Williams shares his perspective as one who lives on the fringes of the mainstream. Just as Henry David Thoreau went to Walden Pond in 1845 to seek simplicity and separation from his peers in nature, Williams chose to go astray by paddling a 17-foot kayak to the Caribbean. Astray of the Herd is a collection of observations resulting from his life on island time with little money, no job, and boundless freedom to ponder the deeper questions of life. Read this book for a laugh, give it to your stressed-out friends, or get inspired to do some straying of your own. From the author: Astray of the Herd is quite different from my other works. This is a light-hearted but half-serious collection of observations resulting from all the time Ive spent out in the wilds and on the water. Its a bit philosophical, mostly humorous and always irreverent. The structure of the book is associational chaining from one topic to the next, and consists of 75 short chapters discussing each of these topics. The topics are built around a loose narrative of my Caribbean sea kayak trip, about which I have written a more serious adventure travel narrative: On Island Time: Kayaking the Caribbean, University Press of Mississippi, May 2005. Astray of the Herd is more of a whimsical look at all the things that make some of us wilderness lovers want to check out and exit the herd for awhile. This item ships from multiple locations. Your book may...
