Robbed of everything he once had, and trapped in a merciless vendetta, James must now take on Nathaniel Caine and his gang to survive. Alone, he cannot hope to win, but to find allies he needs to learn to trust in a world of betrayal. Each of those who promise help has their own secrets, hidden in silences, half-truths and lies. And asked if it is fate, destiny, or simply chance that brings them together, each of them would have a different answer. It is a book about the potential that lies, often unlocked or unrecognised, in all of us.
