Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dyslexia impacts many areas of life! Okay - every area of life. It is so much more than a reading problem. It impacts childhood in such a powerful way that Dyslexia can launch a child into a life of creativity and success or plunge them into a life of depression and fear. Everything depends on the support of teachers, family and friends. That s you! As Dyslexics grow up their unique way of seeing the world influences their goals for the future, and also can influence the way they relate to their friends and lover(s). BUT Dyslexia learns from the real world, and nothing in the real world is black, white and flat. Teachers don t always...
