From his first sighting of a UFO to chilling alien abductions, Romanek relives his personal journey as a conduit of extraterrestrial contact. But what's most shocking are the strange messages these unearthly visitors communicate to Romanek - authentic equations relating to space travel and planetary diagrams pinpointing what could be an auspicious date for the human race. The national spotlight has followed Stan Romanek ever since the release of the "Peeping Tom" video of what he strongly attests is an actual extraterrestrial. Interviewed on "Larry King Live" and elsewhere, his true story of extraterrestrial contact is quite famous. More importantly, Romanek's gripping tale - augmented by video footage, photos, and physical evidence - is the most documented case of all time.
