Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

HarperCollins Publishers Inc, United States, 1996. Paperback. Book Condition: New. Megan Lloyd (illustrator). 254 x 203 mm. Language: English . Brand New Book. What do a fawn and a hermit crab have in common? They both use camouflage to hide from their enemies. A fawn s spots help it blend in with its dappled surroundings, and a hermit crab might be mistaken for an empty shell. This lyrical introduction to camouflage explains how and why a wide variety of animals use it to go undercover. Readers can also hunt for camouflaged animals in every illustration.
