Sam Harris, best-selling author of Letter to a Christian Nation offers a uniquely pointed perspective on Christian America. Mr. Harris views religion today, on the whole, as a highly negative component of American culture. R.C. Metcalf presents a compelling counter treatise challenging Mr. Harris atheist worldview. Raised in an atheist home and trained in secular universities, Dr. Metcalf, now both scientist and Christian, speaks out in support of evangelical Christianity in America. Does faith inhibit honest science? Is Christianity a danger to society? Are Christian morals irrational? Does evil prove God doesn't exist? Are humans good by nature?.
