

River of Scorpions (Paperback)

By Keith Reiss

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Within the realm of the ancient Maya kingdoms of Belize, the key to the riddle of life is sought and found-- and it is death. With the Red Dragon's refusal to float another dime of American debt, the country teeters precariously at the rim of the fiscal equivalent of a black hole. The nation's single source for medical care, ARLNAT, struggles to confront its sacrosanct requirement: it must meet its mandated bottom line at all costs. Kabuki accounting and poorly disguised rationing are not being ignored by the new Congress. No friend of socialized medicine, the chairman of the senate Special Committee on Aging learns that something may be wrong with ARLNAT's new anti-viral wonder drug, Sisacane. An ally, NIH Director Phillip Quester, advises against any sort of regulatory formality in approaching the drug's Belizean manufacturer. In his Bethesda fiefdom, Quester has the perfect asset for the task: an intelligent, fetching and unintimidating young doctor. As she has in the past, Ginny Blaine is certain to put business first, even...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
