

Invoking Reality: Moral and Ethical Teachings of Zen

By John Daido Loori

Shambala Publications, U S A, 2007. Soft cover. Book Condition: New New. 1st Edition. 23 cms. BRAND NEW BOOK. PAPER BACK. There is a common misconception that to practice Zen is to practice meditation and nothing else. In truth, traditionally, the practice of meditation goes hand-in-hand with moral conduct. In *Invoking Reality*, John Daido Loori, one of the leading Zen teachers in America today, presents and explains the ethical precepts of Zen as essential aspects of Zen training and development. The Buddhist teachings on morality-the precepts-predicate Zen, going all the way back to the Buddha himself. They describe, in essence, how a buddha, or awakened person, lives his or her life in the world. Loori provides a modern interpretation of the precepts and discusses the ethical significance of these vows as guidelines for living. Zen is a practice that takes place within the world.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
