Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Relationships are our greatest teachers. Through them, we can learn so much about ourselves, and our lives. This book chronicles the author's journey through a 90-day commitment to (real) love and self-discovery and development. Let's face it; life is messy. It's stained. It's crumpled up. And, this book is as real as that is my handwriting (the word REAL)! It's two-fold: this is about real life.my life, my story and indirectly, your life, too. It's not sugar-coated and fluffy. And the second part is that it's about real love. true and unconditional love. The kind that seems to evade us. For an entire 90-day window, I was intently focused on finding answers.and even the right questions. I followed myself around with a microscope, leaving no stone unturned. I allowed myself to feel. To really feel. And that included the pain and fear that bubbled up as I pulled off all the bandaids, one by one, and exposed the rawness beneath them. This is my journey through 90-days. The discoveries I made, the concepts I learned and applied, the obstacles that cropped up along the way and the miracles that became visible to me. While following along the author's journey, you'll learn: The difference between conditional and unconditional love How omissions and masks affect life and relationships About tests that come up to challenge our commitment(s) How Fear plays a very direct role in our lives and relationships To reflect on your own patterns, stories, trigger buttons and self-limiting beliefs and behaviors Top ways to truly love someone.
