Tate Publishing & Enterprises. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.1in. x 5.2in. x 0.5in. Deep within the heart of the deepest cave in all of Nimadrol, a captive ventures his way through this ancient darkness. This is not the first time he has been in this forbidden fortress either. No, he ventured here when he first came to Nimadrol, back in the ancient days before the Great Wars that had once brought about the near destruction of this world and so many others. But now is not the time to dwell on such memories; there is a task being forced upon him. One that if successful will lead to the destruction of every living being that treasures its life. And he wishes he could be free of this nightmare that has been forced upon him. He has no choice but to allow this to happen. Nimadrol, a world similar to yet very different from our own, has known peace for an extended age, but a looming darkness is growing at the very heart of the planet. Elves, vampires, orks, goblins, witches, and humans must scramble to choose which side will get their allegiance: good or evil. This impending battle, however, is the furthest thing from the mind of Ronak, a teenager who lives in a small village on Nimadrol. Yet there is much more to him than meets the eye. As he begins to discover the secrets of his past, he is not only thrust into the fray but takes center stage in the greatest struggle in the history of his planet. The Chronicles of Nimadrol: Beneath the Earth is a tour of an imaginative world in which the fates of fantastical characters and creatures hang in the balance. Take a step into an adventure in which freedom is threatened...
