

Drug Calculations Online for Calculate with Confidence (User Guide and Access Code) (Hardback)

By Carmen Adams, Deborah C Gray Morris

[DOWNLOAD PDF](#)

Elsevier - Health Sciences Division, United States, 2005. Hardback. Book Condition: New. 4th. 254 x 203 mm. Language: English . Brand New Book. Incorporating the ratio and proportion, formula, and dimensional analysis methods, this online course presents a step-by-step approach to the calculation and administration of drug dosages. This Drug Calculations Online course is designed to be used with the 4th edition of Gray: Calculate with Confidence. Once students have read topics in the text, the online course provides them an opportunity for application and practice. Animations, voice-overs, and interactive self-assessment activities are used to provide an engaging and interactive course platform for students. This course includes practice problems to promote active learning and quizzes that instructors can use to evaluate students understanding of content presented in the course. A comprehensive test bank of approximately 300 questions is also provided for instructors to build quizzes and tests.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. Its been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
