

When I'm Sixty-Four: The Plot Against Pensions and the Plan to Save Them (Hardback)

Filesize: 4.81 MB

Reviews

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)

WHEN I'M SIXTY-FOUR: THE PLOT AGAINST PENSIONS AND THE PLAN TO SAVE THEM (HARDBACK)

Princeton University Press, United States, 2008. Hardback. Book Condition: New. 236 x 155 mm. Language: English . Brand New Book. A crisis is looming for baby boomers and anyone else who hopes to retire in the coming years. In When I'm Sixty-Four, Teresa Ghilarducci, the nation's leading authority on the economics of retirement, explains how to confront this crisis head-on, revealing the causes behind the increasingly precarious economics of old age in America and proposing a bold plan to guarantee retirement security for every working citizen. Retirement is one of the hallmarks of a prosperous, civilized market economy. Yet in America today Social Security is on the ropes. Government and employers are dismantling pension security, forcing older people to work longer. The federal government spends billions in exemptions for 401(k)s and other voluntary retirement accounts, yet retirement savings for most workers is falling. Ghilarducci takes an unflinching look at the eroding economic structure of retirement in America--and what she finds is alarming. She exposes the failures of pension regulators and the false hopes of privatized Social Security. She tells the ugly truth about risky 401(k) plans, do-it-yourself retirement schemes, and companies like Enron that have left employees without any retirement savings. Ghilarducci puts forward a sweeping plan to revive the retirement-income system, a plan that will ensure that, after forty years of work, every American will receive 70 percent of their preretirement earnings, guaranteed for life. No other book makes such a persuasive case for overhauling the pension and Social Security system in order to provide older Americans with the financial stability they have earned and deserve.
