It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The Medicare Improvements for Patients and Providers Act of 2008 (MIPPA) directed the Department of Health and Human Services (HHS) to enter into a 4-year contract with an entity to perform five duties related to health care quality measurement and authorized 40 million from the Medicare Trust Funds for the contract. In January 2009, HHS awarded a contract to the National Quality Forum (NQF), under which HHS will reimburse NQF for its costs and pay additional fixed fees. Established in 1999, NQF is a nonprofit member organization that fosters agreement on national standards for measuring and public reporting of health care performance data. This is the first of two reports MIPPA requires GAO to submit on NQFs contract with HHS. In this report, which covers the first contract year--January 14, 2009, to January 13, 2010--GAO describes (1) the status of NQFs work on the five duties under MIPPA; (2) the costs and fixed fees NQF has reported; and (3) what NQF and HHS do in order to help ensure that NQFs reported costs are proper. GAO reviewed relevant MIPPA provisions and reviewed HHS and NQF documents, such as HHSs contract with NQF, monthly progress reports and invoices for the first contract year, and policies and other documents that describe how HHS and NQF review invoices. GAO also interviewed NQF and HHS officials responsible for implementing and overseeing the contract. This item ships from La Vergne, TN. Paperback.
