Well-to-do parents, good schooling, university . but becoming a princess was an entirely different matter. The media, the pressure, the attention - she never expected anything like this. All she did was fall in love with her best friend. He just happened to be the heir to the throne .Kate's story is told in the manner of a 1970s' girls comic book, with some very modern touches. Each event is given added depth and resonance through the use of a fictional diary. A Special Edition originally published to commemorate the Royal engagement and wedding. From the English writer of Flying Friar, Rich Johnston and Welsh artist for Doctor Who, Mike Collins.
