Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A true love story about a middle-aged pastor and young council woman that is conducted in the supernatural world. The book begins with an account of the breaking up of the pastor's marriage with a self critical look at his faults and his partners inability to change. An other-worldly romance carries to the mid-point of the book, followed by encounters with changelings/shape shifters, fallen angels, witches, and satanists. A wealthy group of Luciferians joins the cast along with a group referred to as decadents. The female orgasm is a topic throughout the book, one you will find quite interesting. The author's understanding of male homosexuality before and after the events in the book are presented. Some readers may find them to be distasteful remarks, but it is felt the events merit the language. Additionally, the pastor's theological views are recorded in a few chapters where they are considered pertinent to the story. All in all the book could be listed in many categories as it is a biographical portion of the author's life for 15 years, true fantasy, supernatural, romantic, familial issues, and theological. The nature of the material is best fitted for adults.
