### Reviews

*Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.*

Paladin Press, United States, 2010. Paperback. Book Condition: New. Revised ed.. 213 x 140 mm. Language: English . Brand New Book. Acclaimed in its first edition for packing so much information into such a small package, Defensive Use of Firearms has been updated for today's gun owners. The most apparent part of this update is the expansion of the skills chapter with the addition of several techniques, fleshing out a continuum for close-quarters combat. This concise and affordable handbook offers material of value for everyone, from the newest gun owner to the experienced instructor. It teaches common-sense principles, tactics, and techniques distilled from hundreds of hours of the author's training, which includes certification as a law-enforcement handgun, shotgun, patrol rifle, and tactical shooting instructor. The chapters on tactics and skills include detailed line drawings that aid the reader's grasp of the concepts described. A glossary is included for the reader who may be new to the world of firearms.
