

Creative Project Management: Innovative Project Options to Solve Problems on Time and Under Budget

By Michael S. Dobson

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Creative Project Management: Innovative Project Options to Solve Problems on Time and Under Budget, Michael S. Dobson, This title presents the seven essential tools for keeping projects on time and under budget. You're executing risk management, leadership, and planning - all hallmarks of outstanding project management. And yet you're still having trouble keeping your projects on schedule. "Creative Project Management" adds two new elements to the mix: creativity and innovation. Internationally renowned project management consultants Michael Dobson and Ted Leemann combine traditional project management skills, such as risk evaluation, decision-making, and human dynamics, with outside-the-box thinking and business creativity. They provide seven new tools and approaches you can apply to any project. The methods discussed inside Creative Project Management show you how to: realistically imagine the outcome of your decisions; work with - and around - the realities and constraints that affect your decisions; read and predict trends; manage the long- and short-term ramifications of your decisions; evaluate the impact of present and future technologies on your decisions; and, imagine new choices you didn't think you had. "Creative Project Management" provides an invaluable new set of tools for any project...
