But it also requires skill and patience on the part of an adult. This guide will help you discover effective ways to gently point children toward Christ and the salvation He offers. Learn first the doctrinal bases for witnessing to children, then the psychological needs and wants of a child. A third section on methods and techniques lists dos and donts of child evangelism. Real-life examples illustrate the principles involved in leading children to Christ. Daniel Smith has years of experience in child evangelism as well as ongoing concern for quality in presenting the gospel to boys and girls. Apply the principles discussed here in one of the most important privileges of an adult: leading a child to the Savior. This item ships from multiple locations.
