As a result of this increase in business, we have deemed it necessary to issue a treatise on citrus fruits covering their culture in a more complete and general way than it was treated in our booklet Citrus Fruit Culture. Realizing that success depends upon satisfied customers, we shall strive to come as near perfection as is possible, both in the selection of soil and climatic conditions, as well as in the care and management of the growing nursery stock. In our effort to secure these conditions, we have made numerous experiments in different localities where conditions seemed to be favorable for the growing of perfect citrus trees. As a...
