Ketogenic Diet For Beginners (FREE Bonus Included) Basics And Mistakes Of A Ketogenic Diet There are a lot of diets out there, and they all promise to deliver the results that you want. Of course, you don t really care what you are doing, as long as you lose the weight that you have been wanting to lose. The problem with these diets is that they are always so fast on the outset, and they seem to deliver the results that you have been wanting, but if you deviate from them at all, they don t work. This is something that is very disheartening, especially if you have been struggling with this for a long time. Well now is your chance to start a diet that not only works, but one that you can stick with. Why? Because this is a diet that is so much more than a list of foods that you can t and can eat. This is a diet that is a lifestyle. Originally, this is a diet that was created to help people with various illnesses, including epilepsy. This isn t a diet plan, this is a way of life, and it is one that is designed to be easy to follow. The problem is, there are still mistakes that you can make, especially as a beginner. That is where this book comes in. Teaching you everything you need to know from the basics of the diet to the common mistakes first time users make, by the time you reach the...
