Grampa Jones s Publishing Company, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Early in the life of William Robert Jones III, two things change him forever. He develops an extraordinary life of the imagination, and he falls obsessively in love with a girl named Victoria. The impoverished William lives with his family in a squalid washhouse on a wealthy relative s property. William s abusive father is the town drunk. In response to these troubles, the boy dreams up and writes stories. He concocts an elaborate fantasy life that so enthralls him, he can hardly put his pen down, and even when he does, he continues to create stories in his mind. Indeed, he fills a wooden box on wheels, his Me Box, with notebooks of stories and folk poems, and takes it with him almost everywhere he goes. At the novel s start, William, no longer a boy, encounters Alex, an old acquaintance he had thought was dead, who imprisons him in a basement furnace room and seems driven to kill him. Alex thinks William is responsible for murdering several boys, as well as attempting to kill Alex. Seeking answers to why this would be, William s mind drifts back through time, as he recalls his earlier life. These recollections are so vivid that William experiences them as passing through a window of time, as if he were physically entering the past. The reader soon realizes that a key aspect of William s imagination is a time-travel fantasy, which stems from his longtime interest in the work of Albert Einstein. Throughout the novel, scenes alternate between William s imprisonment in the furnace room and his revisits to his younger life. His boyhood brightens when he...
