Do you want to know God and grow spiritually? Do you desire a life under control with peace, purpose and joy? If so, Jerry Burton's guide to the Christian faith is for you. Jerry uncovers the lies Satan uses to keep you from finding God's plan for your life. He shows how six disciplines such as spending time with God, sharing your life with other believers, and serving others will lead you toward spiritual maturity. He details how these and other activities, coupled with an understanding of God's priorities, can help you to experience balanced living. Getting It Right isn't just about initial commitment. It focuses on establishing godly principles in daily living and learning to successfully manage life's responsibilities. I highly recommend this book as a must-read for all who desire to be committed disciples of Jesus. -Larry Aspren, Former International President, The Gideons International In clear, simple language Jerry Burton invites people to enter a joyful relationship with God through Jesus Christ and shows how such a life is possible. The heart of the book is his excellent teaching on spiritual disciplines and priorities, illustrated by examples from the life of Jesus.-Dr. Randall Faulkner, Senior Pastor, Metropolitan Baptist Church Jerry Burton has written an exceptional presentation of basic biblical teaching regarding Christian faith, life, and ministry.-Dr. David C. Cotten, V.P. for Student Services, Dean of Students, and Professor of Pastoral Ministries, Dallas Theological Seminary (Retired) Jerry Burton certainly got it right in his book Getting It Right.-Dr. Paige Patterson, President, Southwestern Baptist Theological Seminary.
