Uvi Poznansky, United States, 2014. Paperback. Book Condition: New. Uvi Poznansky (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Against the backdrop of wars, raging within the land and without, David is growing into the mantle of leadership. Between his anointment as a tribal king and his anointment as the king of all of Israel, he uses wisdom, cunning, and his own understanding of the forces of history, aiming for high ideals: stopping the bloodshed, uniting the nation, and bringing about healing and peace. But then, having reached his peak, David falters. He makes a serious error that threatens to undo his political success, and cost him not only the adoration of his people-but also the sense of being sustained by a divine power. That error is the most torrid tale of passion ever told: his deliciously forbidden love for Bathsheba, followed by his attempt to cover up the ensuing scandal by sending her husband-who serves him faithfully in his army-to his death. This is volume II of the trilogy *The David Chronicles*, told candidly by the king himself. David uses modern language, indicating that this is no fairytale. Rather, it is a story that is happening here and now. Listen to his voice as he undergoes a profound change, realizing the magnitude of his sin, and the curse looming over his entire future.
